learning needs and seeking learning opportunities to address their needs. A successful practicum experience is achieved through the student-mentor-faculty relationship in which each member of this educational team contributes to the student's learning experience. The general expectations of students in the practicum experience are to:

- x Develop realistic, meaningful learning objectives in collaboration with DNP advisor, course faculty and mentors to meet course requirements and advance the student's knowledge and skill in their identified learning needs and their specialty focus area.
- x Identify mentors and experiential learning opportunities focused on achieving defined learning objectives.
- x Select mentors based on their qualifications to support achievement of the student's learning objectives.
- x

- x Supervise and evaluate student achievement of learning objectives.
- x Demonstrate attitudes and qualities consistent with the ethics of the health professions.

Processes for Selecting and Approving Mentors

Individuals who serve as mentors for graduate students in the DNP program must meet the following qualifications:

x

clinical. Dates for completion will be announced and failure to complete these mandatory requirements prior to the designated date by which students have been notified will result in the administrative withdrawal from the course by the Office of the Associate Dean.

Students cannot enroll into the ACE PASSPORT System until all documents have been submitted to an administrative assistant and uploaded into the system. Once you are uploaded, you will receive an email which will enable to register and complete the mandatory exams.

Not all DNP practicum experiences will require enrollment in the ACE PASSPORT system.
