

These courses fulfill requirements for Detroit Mercy's Engineering programs:  
 All Engineering Disciplines

| Henry Ford College Courses | Detroit Mercy Equivalencies |
|----------------------------|-----------------------------|
|                            |                             |
|                            |                             |
|                            |                             |
|                            |                             |
|                            |                             |
|                            |                             |
|                            |                             |

Additional Courses for Architectural Engineering

| Henry Ford College Courses | Detroit Mercy Equivalencies |
|----------------------------|-----------------------------|
|                            |                             |
|                            | AND                         |
| AND                        |                             |
| AND                        | AND                         |
|                            |                             |
|                            |                             |
|                            |                             |
|                            |                             |
|                            |                             |

Additional courses for Civil Engineering

| Henry Ford College Courses | Detroit Mercy Equivalencies |
|----------------------------|-----------------------------|
|                            |                             |
| AND                        | AND                         |
|                            |                             |
|                            |                             |
|                            |                             |

Additional courses for Electrical Engineering

| Henry Ford College Courses | Detroit Mercy Equivalencies |
|----------------------------|-----------------------------|
| AND                        | AND                         |
|                            |                             |
|                            |                             |
|                            |                             |

Additional courses for Mechanical Engineering

| Henry Ford College Courses | Detroit Mercy Equivalencies |
|----------------------------|-----------------------------|
|                            |                             |
|                            |                             |
|                            |                             |
|                            |                             |

Additional courses for Robotics & Mechatronic Systems Engineering

| Henry Ford College Courses | Detroit Mercy Equivalencies |
|----------------------------|-----------------------------|
| AND                        | AND                         |
|                            |                             |
|                            |                             |
|                            |                             |
|                            |                             |
|                            |                             |

Entrance Requirements:
